

For lunch and dinner, we can recommend several good, reasonably priced restaurants, all within walking distance of the conference venue (i.e. SuperC) and hotel. These are listed below and also indicated on the map which can be found [here](#) (see also below for a screenshot).

Note that the café on the ground floor of the SuperC offers coffee, waffles, sandwiches, baguettes and salads for breakfast or lunch.

Pontstrasse (yellow line on the map), to the east of SuperC, is the main restaurant street.
